

How Can I Get Involved?

HouseProud Atlanta offers an array of volunteer options. Review the options below and select the one that fits you best. Together, we can keep seniors “warm, safe and dry” in their homes.

Time...

Do you work for a company that is looking for a way to give back to the community? Are you a part of a social group that would like to invest in a strong, organized nonprofit by giving of talents and treasures?

You can **Adopt –a- House** or participate in the **2012 Atlanta House Party!**

Talent...

Are you a graphic designer? Are you a marketing and communications guru? Can you swing a hammer like no other? Do you have a passion for community revitalization?

If so, we would love to utilize your talents on a **committee** or by **volunteering to work on low-income seniors' homes.**

Treasure...

Are you interested in supporting a wonderful cause by helping our senior neighbors remain ‘warm, safe and dry’ in their homes?

Give a gift to HouseProud Atlanta. Any amount will help us to serve more seniors.

You can also **fundraise on our behalf through Facebook or Twitter.** Ask us how!
